FOREIGN TOKENS!

I'm still looking for those odd pieces you have in the back of your double-row boxes - either on consignment for my auctions or to buy outright. Ask about my consignment rates.

I also keep a large stock of books on world tokens. Ask for a free list.

If you send me a stamp I'll attribute your foreign tokens for free.

Best of collecting to you in 1989!

I RECEIVED A NOTE FROM LEWIS K. FERGUSON OF AMES, IOWA THAT HE IS RETIRING FROM TOKEN COLLECTING. HE HAS TURNED HIS TAMS MAVERICKS OVER TO JOHN D. MUTCH AND DAN ANDERSON HAS TAKEN OVER IOWA CATALOGING. HE HAS SOLD HIS COLLECTION.

I'VE KNOWN FERGY FOR MANY YEARS. I CAN REMEMBER TRADING WITH HIM AS FAR BACK AS 25 YEARS.

* * * * * * *

BINKY CALLED: HE WAS COMING BACK FROM JERE RUNCIMAN'S ORANGE GROVE WITH A HUGE LOAD OF ORANGES AND HAD AN ACCIDENT. SOME CAR STOPPED SUDDENLY IN FRONT OF HIM. HE HIT THE BRAKES AND THREW HALF THE LOAD OF ORANGES ON A STATE HIGHWAY PATROLMAN. BINKY RUSHED OVER THE HELP HIM BUT HIS FEET WENT OUT FROM UNDER HIM AND HE KICKED THE HIGHWAY PATROLMEN IN THE FACE. HE SAID HE WOULD BE OUT OF BUSINESS FOR ABOUT 60 DAYS. HE IS SERVING TIME FOR ASSULTING A PEACE OFFICER. THE GUY HE HIT WITH HIS TRUCK IS SUING HIM FOR FOLLOWING TO CLOSE AND DROWNING HIM WITH ORANGE JUICE. POOR BINKY!

A PAIR OF DANGEROUS FANTASY MILITARY TOKENS

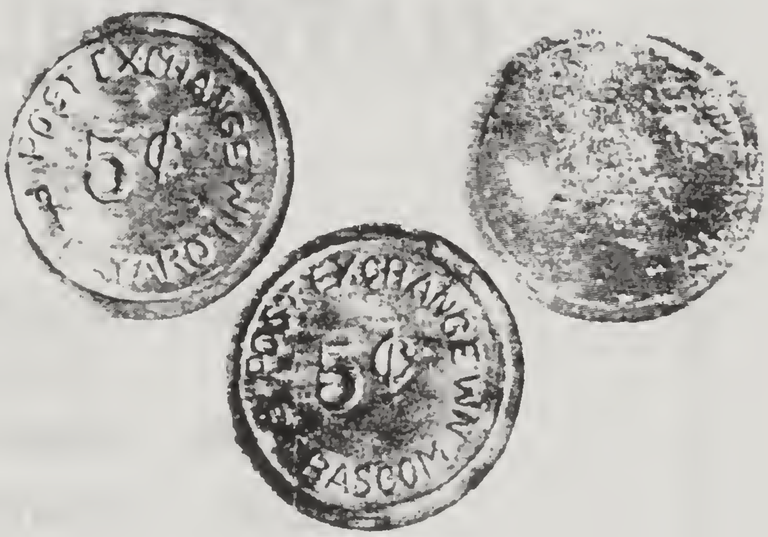
by David E. Schenkman

The purchaser of the illustrated tokens had no reason to be suspicious when he purchased them for about thirty dollars each nearly three years ago. After all, he knew the dealer, and still believes him to be an honest man. They had been acquired by the dealer from a man who "hunts tokens with a metal detector."

Both tokens were fabricated on brass, 22mm, planchets. On one, the obverse legend is POST EXCHANGE / 5¢ / FT BASCOM NM. The other piece is identical, except the fort name is BAYARD. All lettering is incuse, and there is no lettering on the reverses.

As the owner commented when he sent the tokens to me for photography, "I was not expecting fakes. After all, why sell fakes for $30? Furthermore, since the dealer didn't make the tokens or dig them up, he paid even less, I would assume. Wouldn't the motive to make fakes be to con people for bigger money than this?"

But fakes they are, and very deceptive ones at that. They have the appearance of tokens which have been dug, and thus darkened and pitted from prolonged exposure to the elements. However, when I used a pencil eraser lightly on a small portion of the reverse of one piece, the dark color quickly started to become brighter. Had it spent years buried in the ground, its dark "finish" would not have been so easily removed.



Interestingly, the edge and reverse of each token has much more, and deeper, pitting than does the obverse. It was suggested by one collector that they were made on blank planchets which had been "dug." Assuming that to be the case, whoever made them first cleaned the planchets, then buffed one side and applied the lettering, completing the job by applying an artificial finish.

A collector's best protection against fakes such as these is to become very familiar with the work of those die sinkers who manufactured genuine tokens. If there is any question about the legitimacy of a token, compare it with pieces of the same period which are known to be authentic. Remember, a modern fabrication is no bargain at any price!

An examination, under magnification, of the lettering on the tokens in question, reveals that it was done with much cruder equipment than was used by die sinkers of the era. Further, the style of the lettering is not consistent with that on any of the many known genuine military tokens having incuse lettering which were actually struck during the period in which such pieces were used.

Any TAMS member having additional information concerning these tokens, or the person who made them, is urged to correspond with this writer.

School Lunch Tokens of Pittsburgh

by Rich Bottles Jr.

When old-timers boast that a lunch only cost a nickel when they went to school, I guess they can prove it by pointing to the lunch tokens used in the city schools of Pittsburgh, Pa. But don't forget that they had to "walk 10 miles to school" in order to get that lunch.

With today's laws covering nutritional standards and serving temperatures, the days of the 5-cent school lunch have been long gone. However, remnants of this era still pop up occasionally at flea markets and antique shows.

It wasn't until the appearance of three different lunch tokens from Pittsburgh schools that collectors stopped reminiscing and started wondering just how many schools were represented by tokens.

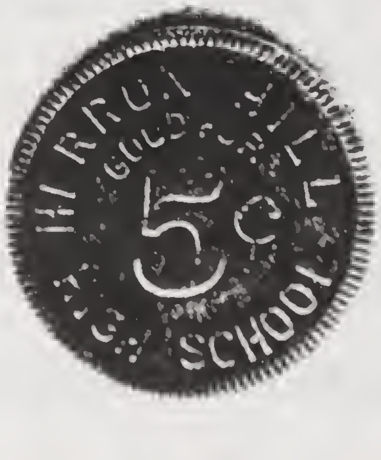
The three known tokens are similar in that they are all composed of aluminum, measure between 27-29mm, feature 5¢ denominations and display blank reverses.

The trade tokens are from Allderdice, Herron Hill and Peabody, but the list of schools within the city of Pittsburgh when these three were all in existence is much longer.

Thus, as a project of the Pennsylvania Area Token Collectors Organization, we are asking exonumists to look through their mavericks in order to determine how many Pittsburgh schools used the tokens.

Pittsburgh schools that may have issued tokens when the other three were using them include: Allegheny, Arsenal, Baxter, Carrick, Fifth, Frick, Gladstone, Knoxville, Langley, Latimer, Oliver, Overbrook, Perry, Prospect, Schenley, South Hills and Westinghouse.

If you can identify tokens from any of the above schools, please send a full description (composition, size, and the order of all letters and punctuation), or a good rubbing, to: Rich Bottles Jr., PATCO Journal editor, P.O. Box 492, Harmony, PA 16037.



Are you one of the six hundred or so ATCO members who haven't yet obtained a copy of my new book "TOKENS and MEDALS" ?

It's the first introductory book to cover all U.S. exonumia (hundreds of categories, except large medals) with values, over 4,000 illustrations, 300 pages, 8½x11", soft cover.

This book is a valuable addition to the library of every exonumist, numismatist, collectibles dealer, and treasure hunter. Widespread distribution of this book would result in hundreds to thousands of new token and medal collectors, and would bring much fresh exonumia into the hobby. We all benefit!

Please consider getting the book for yourself, and maybe ordering several copies - for collector friends, libraries, gifts, etc. Or consider reselling them to collectors, dealers, and coin shops in your area. Quantity prices are given below - all postpaid !

(Each book weighs almost two pounds, and is shrinkwrapped in clear plastic.)

Please order now; send check for immediate shipment. Thanks.

NOTES FROM THE EDITOR:

AT THIS WRITING WE ARE STILL GETTING LATE RENEWALS IN. THE CUT OFF DEAD LINE FOR ADS IN THE NEW MEMBERSHIP LIST IS MARCH 10TH. IN FACT I'M A LITTLE AMAZED THAT SO FEW ARE ADVERTISING IN IT - IT IS ONE OF THE BEST PLACES TO ADVERTISE.

I NOW HOPE TO HAVE THE NEW LIST READY FOR MAILING WITH THE APRIL ISSUE.

WE HAVE BEEN GETTING A LOT OF NEW MEMBERS OF LATE AND FROM WHAT I HEAR FROM COLLECTORS AROUND THE COUNTRY IS THAT THE TRADE TOKENS WE COLLECT ARE STILL AVAILABLE WITH SOME HUNTING AND THE MARKET IS GOOD. TRADING HAS BEEN ACTIVE AND SOME RECORD PRICES HAVE BEEN PAID FOR RARE PIECES.

I HEARD FROM BINKY. HE IS NOW BACK ON THE ROAD AND HEADING FOR CALIFORNIA. HE SAID THAT WHILE HIS TRUCK WAS LAID UP HE DID SOME TOKEN HUNTING AND FOUND A DOZEN RARE OLD CALIFORNIA TOKENS ALONG WITH SOME OTHER FROM OTHER STATES. HE'S GOING TO BUY A METAL DETECTOR NOW. SAID HE KNOWS WHERE THERE IS AN OLD GHOST TOWN AND HE'S SURE THERE ARE TOKENS BURIED ALL OVER THE PLACE.

ANYWAY, ENOUGH. THIS WAS A ROUGH ISSUE TO PUT TOGETHER, BUT IT IS DONE.

GOOD HUNTING.

COMING IN MAY: A NEWSLETTER FOR "CENTENNIAL" COLLECTORS

They go by lots of different names: trade dollars, municipal good-fors, municipal trade currency, souvenir commemorative tokens, community coins, centennials. Lots of people collect them--both the U.S. and Canadian version. And it's time we really started talking to one another!

I'm going to publish a pilot issue of a newsletter (at least 12 pages) in May, devoted exclusively to these enjoyable slices of Americana and Canadiana. No saloon tokens, mike bottle tops, dog tags or transportation tokens--just information and news about municipal trade currency and communication between collectors of same. Some items which will be in a typical issue:

- New issues in Canada and the United States and how to get them
- Discoveries of previously unlisted issues or varieties, with descriptions
- Historical information on various issues or series of issues
- An "editorial" section with comments
- Price trends: latest auction and mail bid prices realized
- Information on existing varieties; e.g., 1959 Oregon hats, points & smoke
- Reader surveys: Your Greatest "Discovery" (see below) or Pet Peeve, or?
- Regular contributions from dealers, publishers or veteran collectors
- Up to 20 free lines of want lists, trades, etc. for each subscriber

If you'd like to receive a free copy of the pilot issue, send in the coupon below by April 1. If well received, additional issues will be by subscription on a cost basis, estimated at $1.25 to $1.50 per quarterly issue.

TOKENS AND MEDALS
A Guide to the Identification and Values of United States Exonumia

A Review by Steven C. Tureen

Something for everyone! That saying was never more true than when applied to this tremendous new exonumia reference by Stephen P. Alpert. This catalog covers an incredible range of American exonumia, providing both information and values for literally hundreds of categories of tokens and medals. Whether you are interested in merchant tokens, gambling chips, dog tags or coupon books - or anything in between, you are likely to find a chapter on it in this book!

The author has organized this book in such a way that even a novice can quickly gain a basic knowledge of tokens and medals, and have some idea of the value of his pieces. Understandably, Stephen does not attempt to list every type and variety of token, but takes an overview of each type and gives a value to the most commonly seen items in that category. For instance in the Chapter on trade tokens, the author first takes a full page to explain what trade tokens are and how they were used. He then takes several pages to categorize the many types of businesses that issued tokens and points out that certain categories are highly desired by collectors. Several more pages are devoted to illustrating and describing those types of tokens that are worth a premium to collectors. He also notes the types of merchant tokens that there is little demand for, or that have especially low values. After giving the reader this general background, the author takes each state, separates the token issues into as many as 8 categories, and places a value on each. The reader can quickly tell that his fancy clover-shaped trade token from Kentucky is probably not worth much more than $3.00, but that his Michigan Good For mirror is worth in the neighborhood of $100.

A word about the prices - they may seem conservative, and for this type of catalog, I feel they should be. The author states many times in the text that the values expressed are for the most common variety in each category. He makes it clear that rarer varieties can bring much more, and that his catalog is just a starting point. To find out exactly how rare a token is, the reader is referred to a specific catalog (when one is available) for further information.

There are so many valuable sections in this book, that I cannot begin to even mention them here. Do you ever come across old fraternal badges and ribbons with initials like A. U. O. W., or N. S. G. W. and wonder what those initials stand for? Well, you'll find the answer in chapter 42. Do you know which presidential candidates' pocket pieces are easy to come by, and which are rare? Hey, that's in chapter 39. How about wooden nickels? Slave tags? Encased postage stamps? Civil War tokens? They are all here, along with just about anything else you can think of. The Chapter on Fakes, Fantasies and Restrikes alone could be worth the price of the book if it keeps you from buying one of the hundreds of phonies listed!

There is no other book than can even begin to give you a basic working knowledge of the many facets of exonumia, as this book ably does, and so I heartily recommend this fascinating and informative book. You need it!

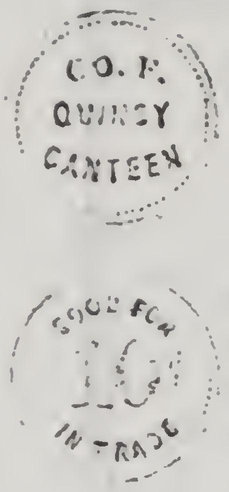
RECENT MILITARY FIND IDENTIFIED



BR 23.5mm

Several years ago I found a token in the Quincy, Ill. area, that I believed to be somehow connected with the Illinois Soldiers' & Sailors' Home in that town.

However, research turned up little, except the fact that the dormotories at that facility were called "Companies" and bore letter designations, and there was a Company F. I was never really satisfied with that attribution.

Recently, Carl Landrum, Quincy Historian and author wrote an article mentioning a "Company G" of the Illinois National Guard, located in Quincy around the time of World War II. A note to Carl produced the following:

"General Mill, who was killed by a German machine gun bullet in France in 1918, came up through the ranks in Company F, Illinois National Guard, 5th Infantry Division, before the turn of the century here in Quincy, as did many Quincy soldiers. I have that information on file from the National Archives in Washington. I don't know when Co. F went out of existence, or changed to another city, but guess it was the result of the reorganization of the 5th during WW I. After that, we had Co. G here in Quincy." Thank you, again, Carl.

ACTIVE TOKEN COLLECTORS ORGANIZATION

P.O. BOX 1573, SIOUX FALLS, SD 57101

WELL, ATCO MEMBERS, I STILL HAVE MY SANITY WHICH IS A WONDER. BESIDES THE NEW MAILING LIST, THE TRADERS LIST AND A BIG ATCO I STILL BELIEVE THE EARTH IS SQUARE, ISN'T IT???

BECAUSE OF THE AMOUNT OF WORK I'M BOUND TO HAVE MADE SOME ERRORS. EACH MONTH WE WILL HAVE A PAGE IN ATCO OF CORRECTIONS, CHANGES OF ADDRESS, NEW MEMBERS, REINSTATEMENTS, ETC.

I HEARD FROM BINKY AGAIN. HE WAS LOADED WITH ORANGES FROM THE RUNCIMAN ORCHARDS AND WAS GOING UP A BIG HILL. HIS ENGINE CONKED OUT AND HE HAD TO MAKE A QUICK JUMP FROM IT IN ORDER TO SAVE HIS LIFE. ON THE WAY DOWN THE HILL HIS TRUCK TOOK OUT A STATE HIGHWAY PATROLMANS CAR WHILE THE PATROLMAN WAS WRITING A TICKET. BINKY HID IN THE BUSHES SO HE COULD NOT BE FOUND. BELIEVE IT OR NOT THE TRUCK ROLLED TO A STOP AND BINKY GOT IT RUNNING WHILE THE PATROLMAN WAS BUSY GETTING A TOW TRUCK.

HE SAID THAT HE HAD TO DETOUR ABOUT 100 MILES SO HE WOULD BE OUT OF THAT PATROLMANS AREA. HE NOW HAS TWO LITTLE PATROLMAN PAINTED ON THE SIDE OF HIS TRUCK TO SHOW HIS "KILLS".

ANYWAY, I'M BUSHED AND I'LL BE HAPPY WHEN ALL THIS IS IN THE MAIL TO YOU ALL.

HAPPY HUNTING!!!

Collector and Dealer in Alaska Trade Tokens for 30 years

St. Patrick's Association
Emmetsburg, Iowa - U.S.A.

NEWS RELEASE

A souvenir medallion first issued in 1966, has given Emmetsburg, Iowa, national ranking. The commemorative Irish coins have been issued each year for the purpose of raising funds to support the annual Emmetsburg St. Patrick's Celebration. The 1992 coin is the 27th of the series, thus becoming the longest running consecutive issue of souvenir coins in continental North America.[1]

The bronze coin bears the likeness of Robert Emmet, the Irish patriot for whom the city of Emmetsburg was named. The Roman Numeral XXVII and three Irish shamrocks are engraved on the face of the coin. The reverse side of the coin is engraved with the flags of Ireland and the United States along with the inscription, "Emmetsburg, Sister City of Dublin, Ireland."

The coins can be purchased for $2.00 (plus $1.00 postage for mail orders). All proceeds go to the St. Patrick's Association.

The St. Patrick's Association of Emmetsburg is a non-profit organization staffed by volunteers. The association organizes the annual St. Patrick's Day festivities which include a street parade Saturday, March 14, 1992. A member of the Irish Parliament at Dublin, Patrick Joseph Sheehan, will be the 1992 Guest Dignitary for the three-day celebration.

For more information, contact the St. Patrick's Association in Emmetsburg, Iowa at (712) 852-4326; office hours: 9:00 a.m. to 4:00 p.m. Monday through Friday.

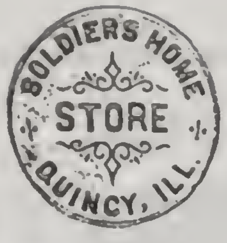
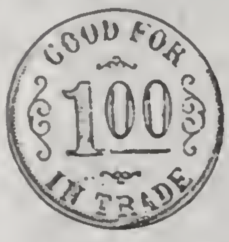
A TOKEN MYSTERY

Issued But Never Used

Bill Massey





The Tokens of the Illinois Soldiers' & Sailors' Home in Quincy are listed by Curto as V17-5, 10, 25, 50, & 100. These are among the most common Quincy tokens, offered quite frequently, and invariably in uncirculated condition. The style suggests these are pre-1920 pieces.

The Home Store was in existence as early as 1906 as shown on several of numerous postcards from the facility. Quite likely the store opened at the time of the dedication of the home in 1886 or shortly thereafter.

A Taylor, MO antique dealer reports purchasing a "barrel" of these tokens in the early 1960's from an employee of the home who was instructed to "dispose" of them. There were reportedly some 2,000 sets, all in uncirculated condition. These were wholesaled to various dealers across the country, with the bulk going to a dealer in Miami. It was from this dealer at about that time that I purchased several sets.

Why the tokens were never used is the question. One theory concerns the management of the home, long a political football. The position of Superintendent of the home is filled by the Adams County Chairman of the political party in power in Springfield. Perhaps an incoming Democrat did not like a Republican idea? Or vice versa? We may never know.

MERCHANT TOKENS OF HARD RUBBER AND SIMILAR COMPOSITIONS

by David E. Schenkman

With the publication of this book, another chapter in the history of nineteenth century exonumia has been written. Merchant tokens struck in hard rubber, and those pieces manufactured in celluloid, fibre, and other non-metallic compositions from the 1860s to the early 1900s, comprise a series about which little is known and even less has been written. At last these fascinating tokens have been cataloged in one volume. If you collect merchant tokens and trade checks of the late nineteenth and early twentieth centuries, this book belongs in your library!

Printed in large format with a high quality cloth binding, the 208 page book lists nearly eight hundred tokens, issued by merchants from thirty-four states plus Washington, D.C. and Indian Territory. A comprehensive introductory section includes a wealth of information on the tokens and their manufacturers. The extensively annotated and profusely illustrated catalog is arranged in alphabetical order by city and state. There is a price guide, cross reference, and a complete index.

The result of 25 years' research, *Merchant Tokens of Hard Rubber and Similar Compositions* is destined to be the standard catalog on the subject.

Price $49.50, plus $2.25 shipping (Maryland residents must add $2.47 sales tax). A specially bound edition, strictly limited to 25 numbered and signed copies, is available for $85.00.

Your copy will be autographed by the author on request.

WELCOME to another listing. Thanks to all bidders. This sale is quite a mixed bag with pickings from several older coin dealers 'what's this' boxes Hope you find something you like, still interested in trades for counter-stamps, better silver or gold so-called dollars, unusual fractional gold tokens and popped-out coins...Usual ATCO rules & closing except trades have preference, I reserve the right to refuse any bid and I will not reveal high bids. (I will consider other neat items for trade also.)

ACTIVE TOKEN COLLECTORS ORGANIZATION

P.O. BOX 1573, SIOUX FALLS, SD 57101

WELL, ANOTHER MONTH HAS PASSED AND I SURVIVED THE GROWLS OF A FEW COLLECTORS WHERE I MADE MISTAKES IN THE COLLECTORS LIST. I KNEW THIS WOULD HAPPEN SO WAS NOT UPSET BY THE GROWLS.

ELEVEN MEMBERS WROTE AND THANKED ME FOR MY EFFORT AND 8 OF THOSE ELEVEN SENT ME A CENTENNIAL TOKEN FOR MY COLLECTION WHICH I GREATLY APPRECIATED. I GUESS IF YOU HAVE NOT DONE A PUBLICATION LIKE ATCO YOU COULD NOT KNOW EVERYTHING THAT YOU GO THROUGH IN A MONTH TO GET IT OUT. THANKS TO THOSE COLLECTORS WHO APPRECIATE THE EFFORT.

IN THIS ISSUE I HAVE INCLUDED A CORRECTION LIST, NEW COLLECTORS, THOSE WHO DID NOT RENEW, ETC.

ALSO, I WILL MENTION AGAIN, SOME ARE WAITING UNTIL THE LAST MINUTE TO GET ADS IN AND IT MAKES IT AWFUL HARD TO PUT ATCO TOGETHER WHEN THESE ADS COME IN. REMEMBER THAT IT TAKES 4 PAGES TO MAKE A PRINTERS SHEET. IF I HAVE, FOR EXAMPLE, 63 PAGES AND A TWO PAGE AD COMES IN THERE IS NO PLACE TO PUT BUT ONE OF THE PAGES. THE HARDEST OF ALL ARE THE HALF PAGE ADS. IF I GET THEM EARLY IT IS NO PROBLEM. ALL I'M ASKING IS THAT YOU ALL CO-OPERATE A LITTLE AND GET YOUR ADS IN EARLY.

THANKS AND HAPPY TOKEN COLLECTING

YOUR EDITOR.

Dear ATCO Members,

Last month I listed hotels within walking distance of the Holiday Inn. I provided the list as a courtesy to ATCO members who might want to stay at a different hotel, but still close to the ATCO Show. Little did I know at that time the Holiday Inn forgot to set a block of rooms for ATCO - Omaha Coin Club. On April 3rd I received a letter from Alan Weinberg saying no rooms were available at the Holiday Inn. I have been in contact with the Holiday Inn several times since receiving Alan's letter trying to straighten this mess out. The Holiday Inn apologizes for its mistake.

The Holiday Inn has now a block of rooms for ATCO - Omaha Coin Club at the Holiday Inn and the Hampton Inn next door. The Hampton Inn used to be known as the Holiday Inn Annex until they remodel it last year and changed the name to Hampton Inn. Both hotels provide shuttle service to and from the airport.

Also, one final note there are two other conventions going on in the Holiday Inn Labor Day weekend. One being a national stamp show, so I feel there should be a lot of activity taking place.

Sincerely,

Steven C. Drake

MERCHANT TOKENS OF HARD RUBBER AND SIMILAR COMPOSITIONS

by David E. Schenkman

With the publication of this book, another chapter in the history of nineteenth century exonumia has been written. Merchant tokens struck in hard rubber, and those pieces manufactured in celluloid, fibre, and other non-metallic compositions from the 1860s to the early 1900s, comprise a series about which little is known and even less has been written. At last these fascinating tokens have been cataloged in one volume. If you collect merchant tokens and trade checks of the late nineteenth and early twentieth centuries, this book belongs in your library!

Printed in large format with a high quality cloth binding, the 208 page book lists nearly eight hundred tokens, issued by merchants from thirty-four states plus Washington, D.C. and Indian Territory. A comprehensive introductory section includes a wealth of information on the tokens and their manufacturers. The extensively annotated and profusely illustrated catalog is arranged in alphabetical order by city and state. There is a price guide, cross reference, and a complete index.

The result of 25 years' research, *Merchant Tokens of Hard Rubber and Similar Compositions* is destined to be the standard catalog on the subject.

Price $49.50, plus $2.25 shipping (Maryland residents must add $2.47 sales tax). A specially bound edition, strictly limited to 25 numbered and signed copies, is available for $85.00.

Your copy will be autographed by the author on request.

REVIEW OF AL ERICKSON'S "WASHINGTON STATE SALOON TOKENS & MIRRORS" BY ALAN WEINBERG

THERE IS NO SHORTAGE OF NEWLY PUBLISHED & MUCH ADVERTISED BOOKS ON TOKENS AND MEDALS, BUT ONE BOOK, WHICH IS BEING ADVERTISED IN RATHER SUBDUED FASHION AND PRICE MORE THAN REASONABLE, IS THE $20.00 (POSTPAID, NO LESS) WASHINGTON STATE SALOON BOOK BY AL ERICKSON, LONGTIME WASHINGTON TOKEN COLLECTOR AND RESEARCHER. IT IS TRULY ONE OF THE BEST TOKEN BOOKS I'VE SEEN. HUNDREDS OF TOKENS, STREET SCENES AND SALOON INTERIORS AND PHOTOGRAPHICALLY PICTURED.

SALOON & TOKEN HISTORIES ARE GIVEN. RARITY RATINGS, TOKEN SIZE & METAL ARE LISTED. THE BOOK IN ONE WORD IS "COMPLETE" AND A MODEL FOR FUTURE TOKEN REFERENCES AND HOW REASONABLE THEY CAN BE PUBLISHED AND SOLD. IN FACT, IN MY OPINION, AL SHOULD HAVE PRICED IT AT $25, $30 RANGE - - - IT IS WORTH IT.

I DON'T CARE IF YOU HAVE NO INTEREST IN WASHINGTON SALOON TOKENS - IF YOUR SPECIALTY IS NO. CAROLINA DAIRY TOKENS, THIS IS A TERRIFIC BOOK AND YOU NEED IT IN YOUR LIBRARY. IT IS SEVERAL NIGHTS OF INTERESTING READING. I DON'T USUALLY REVIEW BOOKS BUT I FELT THIS ONE NEEDS NO COMMANDS REVIEW FOR ITS EXCELLENCE!!!

NO. 9 SALOON
Famous Quincy, Illinois Landmark
Bill Massey

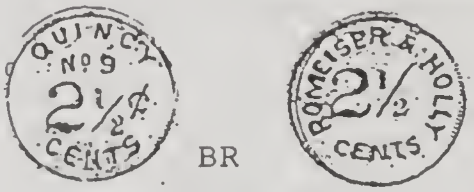
The No. 9 Saloon was located on Lot No. 2 of Block 11 of the Original Town of Quincy Plat, and was owned in the beginning, on January 9, 1832 by Joseph Journey. Later-day numbering located the saloon at 526 Hampshire St.

It is possible that the Apolla Garden No. 9 was opened in the building in the early 1850's by then operator and later owner Peter Sengen. The first newspaper advertisements for the No. 9 Saloon appear in 1858.

Carl Landrum, Quincy Historian and Author writes in the Quincy Herald-Whig; "Over the years the story has been told that the saloon "Apolla Garden" added the "No. 9" as the result of a trip made by the Quincy Sangerfest delegation to the national Sangerfest at St. Louis, some time prior to the War of the Rebellion, possibly in the 1850's. The room occupied in a St. Louis hotel by the Quincy delegation was numbered "9." On their return to Quincy, whenever they spoke of meeting each other at the Hampshire St. saloon, they would say "We will meet at No. 9." Eventually a large metal figure nine was placed on the outside of the building."

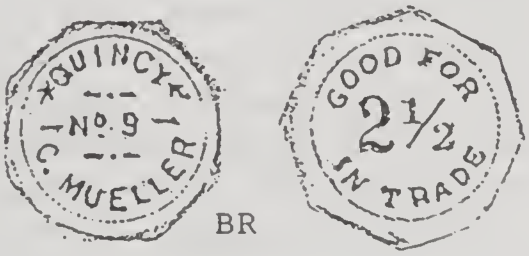
Carl Piene purchased the building on March 2, 1874, and operated the saloon until his death in 1897, when his widow Johanna Piene ran the business until 1911. The property was transferred to a son, Albert, who continued to operate the saloon until it closed forever upon pasage of the Volstead Act in 1919.

"Another story that has been passed down through the years is that the No. 9 saloon was the scene of a party given for "The Little Giant," Stephen A. Douglas, on the eve of the famous Lincoln-Douglas debate, October 3, 1858. The dinner party was given by Dr. I. T. Wilson, well known Quincy physician, who shared office space with Douglas at The Quincy House when Wilson first came to Quincy."



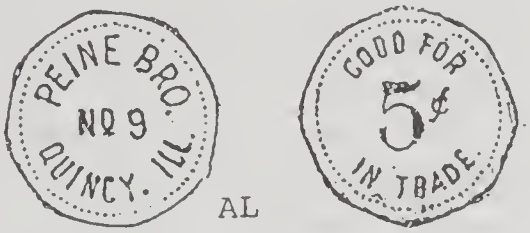
BR

On April 12, 1945, the landmark was wrecked by a tornado that hit the downtown area. On March 3, 1949, the wrecking ball completed the destruction of the building, with the property later deeded to the City of Quincy for construction of a parking lot.



BR

The broken No. 9 was found in the rubble of the demolition by a construction worker, and later given to then owner Leo Monckton. What a wonderful companion collectible that would be for the four known tokens of the saloon.



AL

No records have yet been uncovered that mention "Romeisser & Holly," or "C. Mueller," though all are well documented Quincy Saloon keepers.

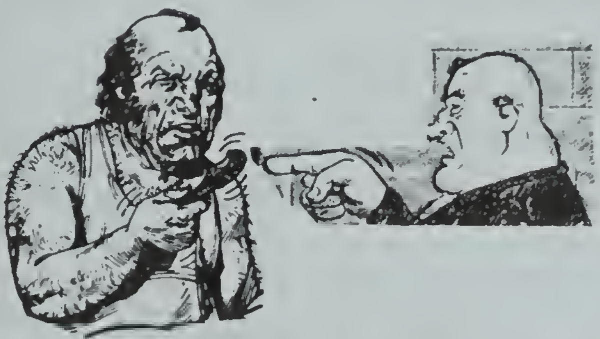
ACTIVE TOKEN COLLECTORS ORGANIZATION

P.O. BOX 1573, SIOUX FALLS, SD 57101

WELL, TIME IS PASSING QUICKLY AND THE ATCO 10TH ANNUAL SHOW WILL BE SOON. THEY NOW HAVE ALL THE PROBLEMS WORKED OUT WITH REGARD TO ROOM RESERVATIONS AND WE EXPECT NO FURTHER PROBLEMS.

THIS IS A BIG ISSUE FOR JUNE. GENERALLY THE ISSUES GET SMALLER AS THE SUMMER APPROACHES. YOU WILL NOTE ON THE MONTHLY UPDATE SHEET THAT WE HAVE A LOSS OF SOME MEMBER AND WE GET NEW MEMBERS. IT SEEMS THAT OVER THE YEARS THIS HAS GONE ON AND WE STILL STAY WITH THAT 600 FIGURE.

AND, FINALLY, I HEARD FROM BINKY. HE IS ANGRY AT EVERYONE. HERE ARE A FEW OF HIS COMPLAINTS:



BEFORE HE STARTED COMPLAINING HE WANTED YOU ALL TO MEET HIS NEW SWAMPER - BULL.

HIS COMPLAINT ABOUT BULL IS THAT HE KEEPS STICKING HIS FINGER IN HIS FACE WHILE HE IS EATING.

THEN HE COMPLAINED ABOUT JERE RUNCIMAN BECAUSE HE PUT SOME BRICKS IN THE LAST LOAD OF ORANGES TO GET MORE WEIGHT.

HE'S MAD AT LANCE JOHNSON BECAUSE LANCE BEAT HIM TO A HOARD OF TOKENS, AND MERLIN BONDHUS WOULDN'T LET HIM AND BULL STAY AT HIS HOUSE WHEN HE PASSED THROUGH FT. COLLINS. JUST BECAUSE THEY HADN'T BATHED IN A WEEK WAS NO EXCUSE. ANYWAY, HE WENT ON AND ON.

HAPPY HUNTING AND SEE YOU NEXT MONTH. YOUR EDITOR.

Dear ATCO Members,

With about 3 months to go, there are just 12 bourse tables left. The $6 display cases have all been rented. (Actually we have more requests than cases.) Again if you want room at the Holiday Inn, the phone number is (402) 393-3950, Hampton Inn (402) 391-8129. If you have any problems with room reservations, you can call Fred Phabey (FAY-BEE) at the Holiday Inn at (402) 397-7011 during 8AM to 4 PM. Fred is the Director of Sales at the Holiday Inn. Fred told me he would personally handle any problems with reservations.

ATCO members will have a better selection of places to eat while staying in Omaha this year. There is a pancake house and a Steak House within walking distance. My personal pick would be THE GARDEN CAFE located right in the Holiday Inn. The food is just like Grandmother makes. Homemade breads, muffins, casseroles, and some of the best pies around. Another great dessert in Turtle Fudge Cake. I feel ATCO members will enjoy the Garden Cafe Food.

Sincerely,
Steve C Drake
Steven C. Drake

P.S. IF YOU HAVE ANY TROUBLE GETTING YOUR RESERVATION AND CANNOT REACH FRED PHABEY AT THE HOLIDAY INN YOU MAY CALL HIM AT HOME EVENINGS AT 402/330-0884.

ACCEPTING CONSIGNMENTS for the 1992 ATCO AUCTION

Lots realizing up to $25.00 - 25%
Lots realizing $25.01 to $1000.00 - 10%

Feel free to call or write if you have questions.

ULIUS FAZEKAS III 3 LINCOLN AVE. RYE BROOK, N.Y. 10573 (914)939-3477

ELCOME to another listing. Thanks to all bidders. The last sale was real
nteresting with stiff competition for several items, wish I could have
ade everyone happy. This sale has a couple of different topics that I
aven't seen many of in a couple years, and maybe no one cares... Usual
TCO rules except Closes on the 30th (get your bids in early and do not
ry to phone until after June 22 I'll be out west), trades have preference,
do not reveal high bids, and folks it is almost impossible to find any
ecent tokens out here for less than $3 please keep that in mind when you
d. I know some folks haven't the resources that others have and I try to
ave a bit for everyone, but I hate to see people throw money away on post-
e and paper sending in $1.50 on $100 tokens. 'Nuff griping and sad tales
to the listing, have fun...

Trades for National Bank tokens/medals, Santa Clara County (CA) tokens, Hickey Brothers tokens and better love tokens will be given preference.

's start with a few books hopefully of interest to tokenists ...

Humphreys & Matthews' "Directory of San Joaquin County [California] (Including Incorporated Cities, Municipalities and RFD Patrons), 1928-1929. Over 850 pages, mostly Stockton but includes all other San Joaquin towns as well. Plenty of advertising and other business-related information. Hardbound in yellow cloth, 7" x 10.5", 2" thick, nice condition other than a 1" tear along the backstrip and being disjoint (but still solidly attached) following the forward.

Walter Barrett, "The Old Merchants of New York City", Second Series, 1863. Covers merchants of pre-Revolutionary times to about 1840. Very dry reading, but may shed some light on early NYC merchants some of whom undoubtedly issued tokens. 400+ pages, hardbound in blue cloth, 8" x 5", very nice condition, ex-library.

for a few rectangular cardboard tokens, all uniface ...

I GOT A PHONE CALL AGAIN FROM BINKY. HE GOT EVEN WITH JERE RUNICIMAN. HE SENT ALL THE ROCKS BACK TO JERE OVER-NIGHT AIR, COLLECT.

HE SENT A PAIR OF OLD SOCKS TO MERLIN BONDHUS AND HE HAD A GUY CALL LANCE JOHNSON AND TELL HIM THAT HE KNEW WHERE A HOARD OF TOKENS WERE AND THEN HUNG UP BEFORE LANCE COULD GET AN ADDRESS OF WHERE THE HOARD WAS.

THAT WILL TEACH YOU GUYS TO MESS WITH BINKY.

NEWS RELEASE

from the publishers of leading magazines, newspapers, and books

STANDARD CATALOG OF WORLD COINS MARKS 20TH YEAR OF PUBLICATION WITH NEW EDITION

Iola, WI-- Krause Publications announces the June 1992 release of their landmark 20th anniversary edition of the STANDARD CATALOG OF WORLD COINS.

With more than 50,000 photographs and over 2,000 pages, the new edition weighs in as the biggest, most comprehensive single volume of the STANDARD CATALOG to date. "It definitely lives up to its reputation as the 'telephone book' of world coins," says Albert "Bo" Smith, publisher of the Krause Numismatic Division.

"The 20th edition contains well over 100,000 coin listings and presents the latest market valuations in up to four grades of preservation. It offers the most comprehensive coverage of world coins--from rare to common issues--in one economical reference," continues Smith.

An important feature of the latest edition is its up-to-date coverage of the ever-changing world political climate. STANDARD CATALOG editor Colin Bruce II cites the dynamics of new republics emerging in Eastern Europe as one of the changes reflected with this edition, as some countries are now listed separately and alphabetically, instead of being grouped under the former "S.S.R." heading.

"This new placement puts these regal and republican coinage listings of days past in a position to accomodate new issues upon release under the particular current government headings for a quick overview and an easy-to-use reference," explains Bruce.

He continues, "We've also added over 4000 more crisp, clear illustrations of new issues, along with many older scarce-to-rare items. Also new to this edition are illustrations of many popularly collected subvarieties."

Production of the new STANDARD CATALOG OF WORLD COINS, 20th edition, required thousands of hours of research from the Krause

Publications staff as well as input from coin experts worldwide. Valuations were carefully determined by analyzing major world auction results, and dealer price lists and advertisements.

More than 50,000 actual photos are included to help collectors identify coins with confidence and occasional enlargements aid in the more difficult attributions. Each coin is identified with the universally accepted KM (Krause/Mishler) Numbering System, as well as other reference numbers.

The book is easy to use, and loaded with collector help such as visual identifiers that allows coins to be quickly identified by key national symbols, a Standard Internaional Numerical Systems chart that cross-references date and denomination numerals, as well as actual weights in gold, silver, or platinum, a comprehensive Country Index, a Mint Index, a Coin Denomination Chart, and many other helpful charts and tables to help the collector quickly identify coins they have or those they wish to acquire.

"In the ever-changing panorama of world coinage, collectors can count on this all-new reference with the assurance of Krause Publication's forty years of coin knowledge and integrity," concludes Smith.

The STANDARD CATALOG OF WORLD COINS 20th Edition is available from Krause Publications for $42.95 + $2.50 shipping and handling (U.S. addresses), 700 E. State Street, Iola, WI 54990-0001.

A NOTE FROM YOUR EDITOR:

EACH MONTH AT THE TIME THAT I ATTEMPT TO CLOSE THE ISSUE SO IT CAN GO TO THE PRINTERS I GET LATE ADS. THAT IS NOT SO BAD, BUT WHEN I GET, SAY, 2½ PAGES AND I ONLY HAVE ROOM FOR TWO PAGES, THEN WHAT DO I DO WITH THE HALF PAGE.

THERE MUST BE FOUR PAGES TO MAKE A PRINTERS SHEET. THEN THE THING THAT HAPPENS MOST REGULARLY IS ONE WHO SENDS THEIR AD BY OVER NIGHT MAIL. I'VE CLOSED THE ISSUE FOR THE PRINTERS - WHAT DO I DO WITH THIS AD???

IN OTHER WORDS, GUYS AND GALS, I'M JUST ASKING THAT YOU GET YOUR ADS IN EARLY SO I'M NOT PRESSURED ON THE DAY I CLOSE FOR THE PRINTERS. THERE IS ONE HECK OF A LOT OF WORK TO PUTTING AN ISSUE OUT AND I JUST DON'T NEED THE PRESSURE. O.K.

HAPPY HUNTING!!

N.W.TAMS MAILBID-AUCTION, mailbid closes July 9, 1992. Bids received after this date will not be considered. This auction will be held at the N.W. TAMS Fifth Annual Summer Meeting in Wilsonville, Oregon, July 11 and 12, 1992. The auction will start promptly at 4:00 PM on Saturday. Usual ATCO rules except for the closing date and we reserve the right to reject any bids. Most of these items are desirable tokens and medals from the West. Mail bids to: Mike Patton, P.O. BOX 4184, TUMWATER, WA 98501. This ad will run both in the June and July issues of ATCO.

TO ORDER YOUR COPY OF "TOKENS AND MEDALS, A GUIDE TO THE IDENTIFICATION AND VALUES OF UNITED STATES EXONUMIA" BY STEPHEN P. ALPERT AND LAWRENCE E. ELMAN, 1992, SEND $22.45 (postpaid) (add $1.45 for tax in Calif.) TO: STEPHEN P. ALPERT, BOX 66331, LOS ANGELES, CA 90066.

[Special: 11 copies for $121.00 postpaid - resell to local coin dealers, collectors, treasure hunters, etc.]

The book has 300 pages, 8½x11", soft cover, shrinkwrapped, 4,000 illustrations, references hundreds of specialized exonumia books, large index, etc.

BELOW ARE SOME REVIEWS AND COMMENTS FROM OWNERS OF THE NEW BOOK "TOKENS AND MEDALS":

"This book may change the course of exonumia. Never before has a single work included everything."

D. M. of Iowa

"Just a quick note to tell you how much I think of and value your Tokens and Medals book as a resource, reference and learning source. It's absolutely great! Even though I know tokens well (I thought) the more I read and study your fine book the more I learn."

R. H. of North Dakota

"I am writing to express my thanks and appreciation for your book "Tokens and Medals". This is exactly the type of book I've been hoping to find. I am a fairly new, and certainly uninformed collector of tokens. Most of my collection has been found in antique shops, garage sale junk boxes, and a very few coin shops. Your book allowed me to identify some pieces that were a complete mystery to me (Y.S.&S. Co. telephone tokens) and made me feel a little less alone. Coin dealers mostly acted like I was crazy when asking for bus, tax, or trade tokens. I was beginning to think that I was the only one who enjoyed this stuff. ... I will be contacting the varoius organizations listed in your book... I feel as though I am years ahead of yesterday with the information you have provided in "Tokens and Medals".

M. B. of California

I knew nothing about this subject before I read this book and cared even less about Exonumia. I picked up this book to read thinking it would be dry and boring. I was dead wrong. This book was fascinating and informative. ... I found surprising the number of items that were catalogued that held some type of value. This book would be a great primer for a youth who wanted to start a hobby. ... This book is a welcome addition to any reference library."

From a book review by Laurel Kruse-Arett, Copy Editor and book reviewer of Antiques Today newspaper (Sonora, Calif.)

Can any ATCO members provide suggestions how I can sell copies of my book "Tokens and Medals" overseas? I need tips on book distributors, places to advertise, etc.

I seems that I am the only ATCO member who collects HOBO NICKELS. I am an anxious buyer of nice old hobo nickels. If you have any, please send them for my offer, or with the price you want. I'll refund your postage/insurance. Thanks.

My next Tokens and Medals mail bid sale (#41) is being postponed from June, to October, probably, due to another severe shortage of material. Consignments are needed - send yours in right away. I also need to buy any miscellaneous accumulations of exonumia (except modern pieces). Send me what you have, for my immediate cash offer, or opt to consign it to my next auction.

ONE MORE ISSUE AND IT'S SHOW TIME!!!

THIS IS OUR TYPICAL SUMMER ISSUE. I THINK EVERYONE IS WAITING FOR THE SHOW. I WAS GOING TO RUN AN AD AND THEN DECIDED TO JUST BRING EVERYTHING TO THE SHOW AND I THINK OTHERS ARE THINKING THE SAME THING.

YOU WILL NOTE FROM THE MEMBERSHIP LIST UPDATE THAT WE CONTINUE TO HAVE NEW MEMBERS. THE HOBBY IS WELL, ALIVE AND GROWING!!! WE HAVE MEMBERS DROP OUT EACH MONTH TOO, BUT THESE ARE MEMBERS WHO SOLD THEIR COLLECTIONS, LOST INTEREST IN THE HOBBY OR FORGOT TO RENEW.

IF ANYONE HAS HEARD FROM BINKY PLEASE LET ME KNOW. HE MAY BE DEAD. HE CALLED THE OTHER EVENING WHILE AT A HAMBURGER STAND AND AFTER TALKING FOR ABOUT A MINUTE I HEARD GASPING, CHOKING SOUNDS AND THEN A BIG THUD AND THE PHONE BANG AGAINST THE WALL OF THE PHONE BOOTH. DON'T KNOW WHERE HE WAS CALLING FROM.

I WROTE THE ABOVE TWO DAYS AGO. I STARTED TO CLOSE OUT THIS ISSUE AND THE LATE ADS CAME POURING IN ALONG WITH A CHANGE OF ADDRESS, ETC.

IF YOUR AD DOES NOT MAKE IT IN THIS ISSUE OR ISSUES TO FOLLOW, PLEASE BLAME YOURSELF NOT ME. I'M TRYING BUT THERE HAS TO BE CLOSE OFF DATES AND I INTEND ON CLOSING WHEN THE ISSUE IS READY FOR CLOSING.

ANYWAY, HAPPY HUNTING.

Jonathan A. Clark

Buyer, Seller and Trader of U.S. and Canadian "Trade Dollars"

June 13, 1992

Bill Clapper
Box 1573
Sioux Falls, SD 57101

Dear Bill

Item for the July issue of ATCO

. . . . .

It's coming! It's coming! But it's not here yet . . .

Maybe you've noticed that your first issue of the Forum, newsletter for collectors of municipal good-for currency ("trade dollars"), has not appeared yet. I promised the inaugural edition for May, not knowing at the time that unexpected, last-minute (literally) business commitments would prevent me from achieving that goal. June was even worse than May.

The good news for the 85 collectors anxiously awaiting the Forum--its appearance will definitely be in July, most likely around the 20th. Please be patient--it will be worth the wait!

This also means there's still time for you to request a copy of the newsletter before the first edition. Send your name and address to Jonathan Clark, P.O. Box 248, Deer Harbor, WA 98243.

. . . . .

Thanks, Bill!

Sincerely,

Jonathan Clark

- ATTENTION **-**
Telephone Token Collectors - Dealers!!

- SPECIAL OFFERING! Frank Earl's Handbook titled *-*
"SLOTTED, GROOVED & PUNCHED"

An illustrated reference for cataloging and describing some 225 different varieties of GOETZ / Y.S.& S. Security Telephone Tokens. "GOETZ" tokens were used exclusively in Chicago's pay telephones from 1907 until 1944. This is the standard work on the subject, each book is in new condition and available for $22.50 each, post-paid.

Each order will include my 1992 Attribution Guide and Checklist. The Guide and Checklist simplifies variety attribution, describes unlisted varieties, rarity estimates derived from inventoring over 7,200 tokens, plus corrections and clarification to portions of Earl's text.
CA residents, please include 7.25% sales tax.

U.S. TELEPHONE MEMORABILIA WANTED!!
CASH or SWAP for - 18mm, 21mm, & 24mm TELEPHONE TOKENS & "TEST COINS" - including GOETZ / Y.S.& S. - also SCRIP & MIRRORS ISSUED by U.S. TELEPHONE COMPANIES.
Wanted to buy or swap for Telephone Tokens issued by Merchants, Utilities, Token Manufacturers, and Cities (for local School, Law Enforcement & Fire Fighting personnel) which are good for "ONE LOCAL CALL", "TELEPHONE CHECK", "PHONE SLUG", "DROP THIS IN YOUR TELEPHONE", etc., etc.

FREE ATTRIBUTIONS of the above available to all ATCO members. Just send a clear rubbing(s), brief description and SSAE.

I have a significant quantity of very nice Exonumia to swap, i.e., U.S. Navy ships tokens, So-Called $ (especially California's 1894 Mid-Winter Exposition and 1915 PPIE, $50.00 Gold Slug Facsimilies, CA Transportation, and CA Merchant Tokens.

My collecting interests include all of the above - plus: Tokens Good For 1/2c or Half Cent, Slot Machine Pictorials, & San Francisco Token/Medal manufacturer's advertising pieces.

Note: I have NO interest - no matter how rare - in "dug uglies", "battered & beat-up", etc., material. You are guaranteed that all items I have to swap will be attractive and "problem free". I look forward to hearing from anyone with similar interests.

MAIL BID SALE

There is some better material in this sale. I'm always looking for all kinds of Kansas exonumia. I need many common encased cents and merchant tokens. Also looking for Kansas paper script. My phone number has changed for the summer - 316-636-2177 - it will change again in September. Good luck and let's do some trading.

AUGUST MAIL BID SALE. MAIL CLOSE SEPT. 3RD. **SALE CLOSES SUNDAY, SEPTEMBER 6TH AT ATCO SHOW.**

I have recently acquired a quantity of exonumia i.e.: a set of gaming tokens from the Franklin Mint 1966. I´ve added some nice Civil War tokens, some centennials, DAV tags, even a group of pickers tickes (Matthew Decker).

I´ll be moving into a new home soon and am sure I´ll have a reorganization period, then it´s back to serious token hunting.

Remember I´m looking for Kansas Merchant Tokens, encased cents, button hooks, and all other Kansas Exounumia. Also looking for Kansas research materials, Dunns & Bradstreets. Good Hunting.

Dear ATCO Members,

Well Summer is almost over and the Big 10th Annual ATCO Show will be just a few days away when you read this. I want to bring a few things to your attention. Your cancelled checks are your notice for tables. Everyone that asked for tables before August 1 received a table. All tables have been sold. The Omaha Coin Club is busy getting the display cases in working order, so everyone should have the display case that they requested. The Ford Hall is in the lower level of the high rise of the Holiday Inn on the far East end of the hotel. There are elevators located in the high rise that can take you down to Ford Hall, if you do not wish to walk down the steps at the main entrance of Ford Hall.

The ATCO Hospitality room is located in PALACE ROOM "D". This room will be open Friday for your convenience. Also, PALACE ROOM "D" is where the auction will be held.

If you have time while at the ATCO Show, be sure to try some food from the GARDEN CAFE located in the Holiday Inn, plus you might want to visit a National Stamp Show in the same hotel.

Sincerely,

Steven C Drake

NEWS AND NOTES FROM THE EDITOR:

REGARDING THE I.O.K. TAMS MEETING: SOME HOW WE GOOFED AND DIDN'T INCLUDE THE DATE OF OUR MEETING WHICH IS SEPTEMBER 13, 1992. THE NOTICE SHOULD HAVE READ "THE IOK TAMS WILL MEET SEPTEMBER 13, 1992 AT THE SENIOR CITIZENS CENTER IN COLUMBIA CITY, INDIANA FROM 9AM to 3PM, INDIANA TIME." WE WERE AFRAID THAT SOME PEOPLE WOULD GET THIS MIXED UP WITH THE IKO SHOW WHICH IS IN OCTOBER AND ENGLEWOOD, OHIO. THANKS Ralph & Virginia King.

BILL: IS THIS "BINKY" ON THE POSTAGE STAMP OF BELGIUM ATTACHED, WHICH I RECEIVED IN THE MAIL JUST RECENTLY. MAYBE "BINKY" WENT TO EUROPE FOR THE SUMMER?? Robert Doyle.

Ha, BOB: I HAVE NOT HEARD FROM BINKY SINCE THAT LAST TALK WITH HIM. I'M REALLY WONDERING IF HE DIDN'T CHOKE TO DEATH IN THAT PHONE BOOTH. I'VE ASKED AROUND AND NO ONE SEEMS TO HAVE ANY IDEA WHERE HE IS. I KNOW THAT JERE RUNCIMAN WOULD LIKE TO GET HIS HANDS ON HIM FOR DUMPING THAT LOAD OF NEW YORK TRASH IN HIS ORANGE GROVE. IT HAD A NOTE ATTACHED THAT IT WAS FIRST CLASS NEW YORK FERTILIZER. LANCE JOHNSON IS ALSO LOOKING FOR HIM. I CAN'T TELL YOU IN HERE WHAT ABOUT, BUT YOU CAN ASK LANCE. BOY, WAS HE MAD. ANYONE HEAR FROM BINKY PLEASE LET ME KNOW.

Dear Bill,

The work on the new WISCONSIN TOKEN CATALOG by Gene Johnson is coming along nicely. The new book is huge !! Over 2300 mavericks are listed, and the finished book will probably be a hard cover the size of the 1987 Michigan Catalog (Maybe 10,000 total listings).

It is not too late to have your Wisconsin tokens listed. Anyone who has tokens to list can write to: Gene Johnson, 1921 Chase Street, Wisconsin Rapids, Wis 54494.

Best Regards,

Hank Thoele

SEE YOU ALL AT THE SHOW!!!

We had a last minute rush of ads again and as usual it was a hard issue to put together, but we made it.

Box 18002

Dear Dick:

This letter is to thank you for conducting the sale of my Iowa trade token collection over the past months.

As we both are aware, there has been more than satisfactory response from many collectors - both of Iowa collectors as well as those people looking for specialized tokens.

It appears that you have successfully distributed these tokens into many collections. Serious collectors as well as new collectors of this material. It no doubt has stimulated interest in the whole field of exonumia.

You ran the sale with excellent catalogs and prices realized as well as doing a good job of scheduling the many catalogs.

It seems only right that I thank you and the many bidders for this successful enterprise.

Sincerely yours,

Robert

- SPECIAL OFFERING! Frank Earl's Handbook titled *-*
"SLOTTED, GROOVED & PUNCHED"

An illustrated reference for cataloging and describing some 225 different varieties of GOETZ / Y.S.& S. Security Telephone Tokens. "GOETZ" tokens were used exclusively in Chicago's pay telephones from 1907 until 1944. This is the standard work on the subject, each book is in new condition and available for $22.50 each, post-paid.

Each order will include my 1992 Attribution Guide and Checklist. The Guide and Checklist simplifies variety attribution, describes unlisted varieties, rarity estimates derived from inventoring over 7,200 tokens, plus corrections and clarification to portions of Earl's text.

CA residents, please include 7.25% sales tax.

U.S. TELEPHONE MEMORABILIA WANTED!!
CASH or SWAP for - 18mm, 21mm, & 24mm TELEPHONE TOKENS & "TEST COINS" - including GOETZ / Y.S.& S. - also SCRIP & MIRRORS ISSUED by U.S. TELEPHONE COMPANIES.

Wanted to buy or swap for Telephone Tokens issued by Merchants, Utilities, Token Manufacturers, and Cities (for local School, Law Enforcement & Fire Fighting personnel) which are good for "ONE LOCAL CALL", "TELEPHONE CHECK", "PHONE SLUG", "DROP THIS IN YOUR TELEPHONE", etc., etc.

FREE ATTRIBUTIONS of the above available to all ATCO members. Just send a clear rubbing(s), brief description and SSAE.

I have a significant quantity of very nice Exonumia to swap, i.e., U.S. Navy ships tokens, So-Called $ (especially California's 1894 Mid-Winter Exposition and 1915 PPIE, $50.00 Gold Slug Facsimilies, CA Transportation, and CA Merchant Tokens.

My collecting interests include all of the above - plus: Tokens Good For 1/2c or Half Cent, Slot Machine Pictorials, & San Francisco Token/Medal manufacturer's advertising pieces.

Note: I have NO interest - no matter how rare - in "dug uglies", "battered & beat-up", etc., material. You are guaranteed that all items I have to swap will be attractive and "problem free". I look forward to hearing from anyone with similar interests.

FOREIGN TOKENS!

I'm still looking for those odd pieces you have in the back of your double-row boxes - either on consignment for my auctions or to buy outright. Ask about my consignment rates.

I also keep a large stock of books on world tokens. Ask for a free list.

If you send me a stamp I'll attribute your foreign tokens for free.

Best of collecting to you in 1989!

Information and opinions on
Tokens • Medals • Scrip
Business History Memorabilia

If you enjoy owning "pieces of history", I think you'll like this **new journal**. Dealing with all areas of U.S. and foreign exonumia, it will focus on putting these small bits of metal, cardboard, paper and plastic into perspective. Yes, we'll have timely announcements, and a lively advertising section. But the heart of the journal will be **the story** : information about issuers, engravers, token and medal makers, historical background, and economic commentary.

You can give us a try, with my guarantee of a prompt refund on all unserved issues, if you're not satisfied. (Less risk here than in most things we do in collecting - or anything else in life, for that matter.)

SUBSCRIPTIONS (delivered by 1st class mail in U.S., air mail elsewhere): In U.S., 1 year (6 issues) $15; 2 years (12 issues) $28; 3 years (18 issues) $40. Canada & Mexico, add $3/year, other foreign countries, add $6/year. Subscribers are entitled to a 10% discount on all advertising.

ADVERTISING (Journal format is 8½x11")

Classified: 35¢/word, minimum $6 for a single insertion.(Categories: Announcements/catalogs; For Sale; For Trade; Wanted)

Space : 1/8 page (business card size) $13; ¼ page $24; ½ page $40; full page $75. Please submit camera ready copy, or we will set in type.

Discounts: 3 or more insertions, take 10%. Subscribers, take an additional 10% off all advertising orders.

Payment in full must accompany all subscription and advertising orders (check or M.O. payable to Albert Jakira).

Thanks,

Al Jakira

MAIL AND PHONE BID SALE / TRADE LIST

Four Pages

(Closes Sept. 26)

Usual ATCO rules, except trades still have priority, and see notes below regarding phone bidding.

NOTICE: I will accept phone bidding on Friday September 25 (6-10 PM EDT) and on Saturday September 26 (6-10+ PM EDT). Current high bids will be revealed upon request, which may be raised by at least $1 or 10%, whichever is greater. If trade offers are pending, I will inform you of such when you call. This procedure, although commonplace in larger commercial Sales, is experimental with myself. Over the years, so many collectors have phoned near the last day of sale for bidding hints. And, regrettably, I found myself playing favorites as to how helpful I would be. This way all will be playing on the same level field. I anticipate that 90+% of the lots will still go to straight mail bids, but we will see. Comments invited.

WELL, THE SHOW IS NOW HISTORY BUT YOU WILL BE ABLE TO TELL FROM THE COMMENTS IN THE FRONT PAGES THAT IT WAS A GREAT SHOW. I'M STILL GETTING LETTERS AND PHONE CALLS ABOUT WHAT A GREAT SHOW IT WAS AND THAT IT WILL BE IN OMAHA AGAIN NEXT YEAR.

MANY OF THE DEALERS AND COLLECTORS HAVE ALREADY SIGNED UP FOR NEXT YEAR.

AS SOON AS WE GET THE INFORMATION FROM THE OMAHA COIN CLUB AND PUBLISH IT I'D SUGGEST THAT YOU GET A TABLE EARLY.

THEY WILL BE ADDING TABLE FOR NEXT YEAR BECAUSE MANY WERE TURNED AWAY THIS YEAR BECAUSE THERE WERE NOT ENOUGH TABLES.

SO, AS I SAID IN THE LAST ISSUE, SEE YOU IN OMAHA (NEXT YEAR)!!!
YOUR EDITOR.

REVIEW OF OMAHA ATCO, 1992, SHOW

By Alan V. Weinberg

AS I DO EVERY YEAR, THIS IS A REVIEW OF THE 1992 ATCO CONVENTION FROM WHICH I'VE JUST RETURNED TODAY.

AFTER A FALSE START (primarily a matter of the main motels being booked up and no rooms available - a problem later rectified), THINGS FELL INTO PLACE. THIS YEARS ATCO WAS A HUMDINGER WITH A SOLD-OUT BOURSE, HEAVY MEMBER ATTENDANCE, INCREDIBLE BUYING/SELLING/TRADING, AND A STANDING ROOM ONLY, FIERCELY COMPETITIVE CHUCK KIRTYLEY AUCTION.

THE HOLIDAY INN FACILITY WAS EXCELLENT WITH OUTSTANDING LIGHTING, WIDE AISLES AND A SPACIOUS BOURSE ROOM. THE HOTEL WAS MODERN AND CLEAN WITH AN EXCELLENT RESTAURANT. THE ADJACENT HAMPTON INN WAS ALSO EXCELLENT. STEVE DRAKE AND RALPH REEVES OFTHE OMAHA COIN CLUB DID AN EXCELLENT JOB AND THEY ARE AWARE NOW OF HOW TO AVOID THE ROOM PROBLEM - "BLOCK" THE ROOMS FOR ATCO IN BOTH HOTELS.

WE ALL KNOW THERE'S A SEVERE ECONOMIC RECESSION AND THE COIN MARKET IS MORIBUND, BUT LET ME TELL YOU THAT I SAW NO EVIDENCE OF THIS AT THE ATCO BOURSE OR THE KIRLEY AUCTION. THE HOBBY IS ALIVE AND VERY WELL, THANK YOU. AND, UNLIKE THE COIN HOBBY, THERE'S A LOT OF VERY ACTIVE COLLECTORS IN THEIR 20's AND 30's, BODING WELL FOR THE TOKEN HOBBY.

THE DEMAND FOR TOKENS AT THE OMAHA ATCO SHOW WAS NOT AT ALL REGIONAL. WASHINGTON, MICHIGAN, CALIFORNIA, GEORGIA, OHIO, VIRGINIA, DAKOTAS - - THE DEMAND FOR TOKENS WAS UNIVERSAL AND INSATIABLE.

THERE WAS SOME CONCERN, AS THERE HAS BEEN IN YEARS PAST, THAT THE "COMPETING" RENO SHOW WOULD HURT ATCO, DRAW ATTENDANCE AWAY, ETC., AND THAT PERHAPS ATCO SHOULD MOVE IT'S DATE AND LOCATION NEXT YEAR. IT NEVER HAPPENED.

I JUST FINISHED SPEAKING WITH ATCO MEMBER JIM MABRY ABOUT THE RENO SHOW -- HE ATTENDED IT THIS YEAR FOR A "PERSONAL" REASON. JIM REPORTS THAT THE RENO SHOW WAS MAINLY A BOTTLE SHOW WITH ONLY 80 of THE 120 TABLE SOLD AND MANY UNOCCUPIED TABLES. JIM SAYS THERE WERE ONLY A FEW TOKEN BOURSE TABLES AND NAME ONLY ABOUT 7-10 ATCO MEMBERS WHO ATTENDED RENO-MOST OF WHOM HAVE NEVER ATTENDED THE ATCO CONVENTIONS ANYWAY. GOOD TOKENS WERE SPARSE AND, IN GENERAL, MY IMPRESSION WAS RENO DIDN'T HOLD A BURNED-OUT CANDLE TO ATCO. (AND, I JUST RECEIVED A SIMILAR RENO REPORT INDIRECTLY FROM RON LERCH).

ATCO DIRECTORS WISELY DECIDED AGAINST MOVING THE DATE OR LOCATION FOR THE 1993 ATCO SHOW, PARTICULARLY IN LIGHT OF THE RENO "CONFLICT".

TO SUM IT UP, THIS ORGANIZATION OF OURS IS A HEALTHY AND HAPPY ONE AND A LOT OF MEMBERS REALLY ENJOYED THEMSELVES IN OMAHA. GOOD JOB, BILL, TRAVIS, STEVE AND RALPH.

Alan

BILL: OMAHA WAS FUN AS USUAL. THEY SEEM TOO SHORT FOR ME. SIXTY TABLES IS A LOT TO COVER, ESPECIALLY IF YOU HAVE VARIED INTERESTS. I SOMEHOW DIDN'T EVEN GET TO AT LEAST CHAT WITH SUCH PEOPLE AS BARY BENDER AND MERLIN BONDHUS, GENTS WHOM I SEE ONLY ONCE A YEAR AS IT IS... ANYWAY, ALTHOUGH I DIDN'T HAVE THE TIME TO TYPE UP A SALE FOR OCTOBER I WANTED YOU TO KNOW WHAT A GREAT SHOW IT WAS.

Jerry Schaeper, Jr.

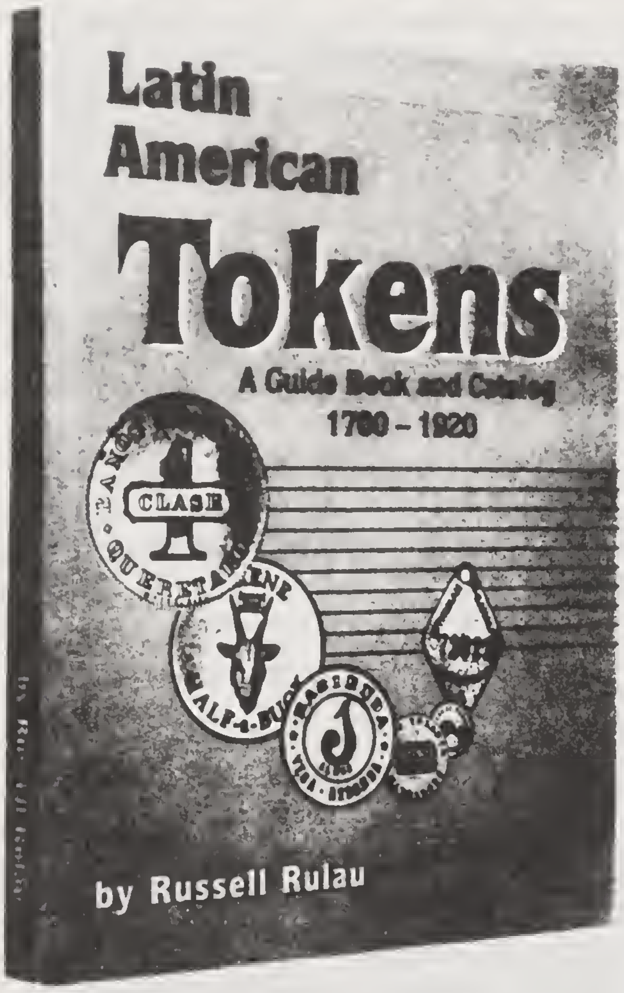
****

I RECIEVED A NUMBER OF OTHER GREAT COMMENTS. AND, I HAVE TO ADMIT THAT IT WAS ONE OF THE GREATEST SHOWS WE'VE HAD. BY SUNDAY MORNING I WAS SOLD OUT. I BROUGHT HOME MANY NEW ADDITIONS TO MY CENTENNIAL COLLECTION.

AND, JERRY, THE REASON THAT YOU PROBABLY DID NOT GET TO TALK TO MERLIN BONDHUS WAS THAT HE WAS HUNTING BINKY. HE WAS ASKING AROUND AND I NOTICED THAT HE HAD ONE HAND BEHIND HIM. I FINALLY GOT A LOOK AND HE HAD A SMALL CLUB. I NOTICE BINKY HEADING FOR THE FRONT DOOR ALMOST ON A RUN. HE SAID HE HAD AN URGENT TRIP TO NEW YORK.

Your editor.

NEWS RELEASE



IN THE 1800's, MEXICAN PLANTATION WORKERS, JAMAICAN STEVEDORES AND PANAMA CANAL CONSTRUCTION WORKERS WERE PAID WITH WORKPLACE TALLIES, USED IN LIEU OF MONEY ON THE AGRICULTURAL AND STOCK RAISING ESTATEES AND IN THE MINES, MILLS, AND DOCKS OF LATIN AMERICA. THIS PRACTICE WAS OUTLAWED IN THE EARLY 1900s, BUT THEIR USE WAS AN INTEGRAL PART OF THE COLORFUL CULTURE OF NORTH AND SOUTH AMERICA AND THEIR ROOTS AS 'MONEDA DEL PUEBLO' (money of the people) GOES BACK TO 16TH CENTURY MEXICO AND 17TH CENTURY CHILE & PERU.

COLLECTORS OF LATIN AMERICAN TOKENS HAVE LONG FACED DAUNTING OBSTACLES IN THEIR QUEST TO INDENTIFY AND VALUE THEIR PIECES.

A REVIEW:

WHILE IN OMAHA I RECEIVED THE NEW 1992 NEBRASKA AND IOWA MERCHANT TRADE TOKENS, TOWN/PLACE AND RARITY LISTING AND OTHER EXONUMIA, 5TH EDITIONS FROM GEORGE HOSEK.

GEORGE HAS GAINED A REPUTATION FOR PUTTING OUT THE BEST AND MOST ACURATE TOWN RARITY LISTS AROUND. THE WORK IS EXCELLENT WITH BEAUTIFUL IMPRESSIONS OF VARIOUS TOKENS. AND, THE BOOKS ARE EXTENSIVE.

I'VE ALWAYS HAD TROUBLE, WHEN LOOKING UP A TOWN IN SOME OF THE BOOKS, AND FIND A R-7 AND WONDERED HOW MANY PIECES FROM THE TOWN. GEORGE LISTS THE NUMBER IN COLLECTORS HANDS FROM EACH TOWN. I KNOW THAT WHEN I LOOK, FOR EXAMPLE, AT HASTINGS, NEBRASKA AND IT SHOWS 860 TOKENS FROM THE TOWN, THAT I MAY BE BUYING A COMMON TOKEN, AND TOO, THAT I SHOULD NOT PAY A HIGH PRICE FOR IT, IF I DO BUY IT. I ALSO KNOW THAT WHEN I LOOK AT HAIGVILLE, NEBRASKA, 1 KNOWN (vs an R-10) THAT I'VE GOT ONE HECK OF A RARE TOWN AND TOKEN.

THESE NEAT BOOKS HAVE A SEPARATE SALOON SECTION, MILITARY SECTION, BBC TOKENS, CCC CAMPS, DUAL TOWN TOKENS, PRISON TOKENS, BREWERY TOKENS, GOOD FOR MIRRORS, CARDBOARD TRADE TOKENS, CENTENNIAL TOKENS (ALONG WITH THE NEWEST FINDS), ETC.

GEORGE DID NOT GIVE ME A PRICE FOR THEM, BUT YOU CAN CONTACT HIM, AS FOLLOWS:

GEORGE HOSEK, 7411 IDEDALE LANE, OMAHA, NE 68112-2805 or CALL HIM AT: 402/455-1905

IF YOU WANT TO KNOW WHAT'S GOING ON IN NEBRASKA AND IOWA, YOU NEED THESE RARITY BOOKS.

This is the standard work on the subject, each book is in new condition and available for $22.50 each, post-paid.

Each order will include my 1992 Attribution Guide and Checklist. The Guide and Checklist simplifies variety attribution, describes unlisted varieties, rarity estimates derived from inventoring over 7,200 tokens, plus corrections and clarification to portions of Earl's text.

- SPECIAL OFFERING! Frank Earl's Handbook titled *-*
"SLOTTED, GROOVED & PUNCHED"

An illustrated reference for cataloging and describing some 225 different varieties of GOETZ / Y.S.& S. Security Telephone Tokens. "GOETZ" tokens were used exclusively in Chicago's pay telephones from 1907 until 1944. This is the standard work on the subject, each book is in new condition and available for $22.50 each, post-paid.

Each order will include my 1992 Attribution Guide and Checklist. The Guide and Checklist simplifies variety attribution, describes unlisted varieties, rarity estimates derived from inventoring over 7,200 tokens, plus corrections and clarification to portions of Earl's text.
CA residents, please include 7.25% sales tax.

U.S. TELEPHONE MEMORABILIA WANTED!!

CASH or SWAP for - 18mm, 21mm, & 24mm TELEPHONE TOKENS & "TEST COINS" - including GOETZ / Y.S.& S. - also SCRIP & MIRRORS ISSUED by U.S. TELEPHONE COMPANIES.

Wanted to buy or swap for Telephone Tokens issued by Merchants, Utilities, Token Manufacturers, and Cities (for local School, Law Enforcement & Fire Fighting personnel) which are good for "ONE LOCAL CALL", "TELEPHONE CHECK", "PHONE SLUG", "DROP THIS IN YOUR TELEPHONE", etc., etc.

FREE ATTRIBUTIONS of the above available to all ATCO members. Just send a clear rubbing(s), brief description and SSAE.

I have a significant quantity of very nice Exonumia to swap, i.e., U.S. Navy ships tokens, So-Called $ (especially California's 1894 Mid-Winter Exposition and 1915 PPIE, $50.00 Gold Slug Facsimilies, CA Transportation, and CA Merchant Tokens.

My collecting interests include all of the above - plus: Tokens Good For 1/2c or Half Cent, Slot Machine Pictorials, & San Francisco Token/Medal manufacturer's advertising pieces.

Note: I have NO interest - no matter how rare - in "dug uglies", "battered & beat-up", etc., material. You are guaranteed that all items I have to swap will be attractive and "problem free". I look forward to hearing from anyone with similar interests.

MERCHANT TOKENS OF HARD RUBBER AND SIMILAR COMPOSITIONS

by David E. Schenkman

Merchant tokens struck in hard rubber, and those manufactured in celluloid, fibre, and other non-metallic compositions from the 1860s to the early 1900s, comprise a series about which little is known and even less has been written. Finally these fascinating tokens have been cataloged in one volume

Printed in large format with a high quality cloth binding, the 208 page book lists nearly eight hundred tokens, issued by merchants from thirty-four states plus Washington, D.C. and Indian Territory. A comprehensive introductory section includes a wealth of information on the tokens and their manufacturers. The extensively annotated and profusely illustrated catalog is arranged in alphabetical order by city and state. There is a price guide, cross reference, and a complete index.

Order now! The introductory price of $49.50 plus $2.25 shipping (Maryland residents must add $2.47 sales tax) is good only until 1 December 1992, at which time it will increase to $57.50. A specially bound edition, strictly limited to 25 numbered and signed copies, is available for $85.00 ($100.00 after 1 December).

TRADE for
Hoboken
Hoagen
11/3

I collect **New Jersey trade tokens, advertising tokens and mirrors**. I would rather trade for these than sell my tokens so trades have first preference. **I also collect Edge Spinners** and I am currently working on a book on these. If you have any, whether for sale or not, please let me know about them. All contributions will be acknowledged.

If you have a want list please send a copy. I am an active buyer and come up with some unusual and interesting tokens. No guarantee I can help you but if you are a serious collector I sure will try.

I am a strong buyer of quality material. If you have one piece or a collection of thousands of tokens I have cash waiting for you. I buy entire collections, including the common stuff. Thanks, Bob (407) 352 7807

A.T.C.O. MAIL BID SALE

Usual ATCO rules apply, except that I will consider trades for transportation tokens I need for my collection.

NEWS AND NOTES:

RE: CLAY PERDUE'S DEATH BY ALAN WEINBERG

I'VE RECEIVED WORD FROM JERRY SCHAEPER OF COVINGTON, KY THAT HE LEARNED LAST WEEKEND AT THE WEST VIRGINIA COAL SCRIP SHOW THAT CLAY PERDUE OF RICHMOND, VA WAS DEAD. CLAY, A LONG TIME SERIOUS COLLECTOR AND ATCO MEMBER WAS SEVERLY BEATEN AND THROWN DOWN A SET OF STAIRS BY AN INTRUDER IN CLAY'S HOME. CLAY'S INVALID WIFE SAT HELPLESS IN AN ADJOINING ROOM DURING THE ROBBERY. CLAY DIED FROM THE INJURIES. IT IS NOT KNOWN, TO US, WHAT WAS TAKEN IN THE ROBBERY.

THIS BRINGS TO MIND THE VIOLENT DEATH OF ATCO MEMBER FORD KNIGHT (OF MONTANA) IN HIS HOME AT THE HANDS OF A THIEF. I'VE LEARNED THAT THE YOUTH WHO STABBED HIM TO DEATH HAS DONE HIS TIME AND IS BACK ON THE STREETS.

LESSONS TO BE LEARNED: DON'T KEEP YOUR COLLECTION AT HOME; HAVE A MEANS OF DEFENSE AND BE READY TO USE IT; EXERCISE YOUR VOTING RIGHTS TO THROW THE JUDGES AND POLITICIANS OUT OF OFFICE WHO HAVE LET OUR SOCIETY DETERIORATE TO THIS POINT.

ALAN

Dear Bill:

The reason I haven't written sooner is because I had a little accident. Between hauls in my truck, I took a job with a remodeling contractor.

On the day I had the accident, I was completing the brickwork on the exterior of a two-story addition on a suburban townhouse. As I stood on the scaffolding at roof level, I realized that there was about 600 pounds of extra brick left over on the roof and scaffold, and rather than carry the bricks down by hand I decided to lower them down in a barrel using a pulley attached to the scaffold.

I first secured the rope to a tree trunk at ground level then climbed back up and loaded the bricks into the suspended barrel. I then went back down and carefully untied the rope, holding it tightly to insure a slow and safe descent.

I will at this point bring to your attention that I weigh 135 pounds.

I was suddenly dragged across the lawn to the base of the wall and then lifted straight up the side of the building at a rapid rate. Unfortunately I forgot to let go of the rope.

About 16 feet off the ground, I met the loaded barrel coming down. (Fractured collar bone). Being slightly stunned I still clung to the rope and continued upwards hitting my head on the bottom of the scaffolding. (Concussion and skull fracture), and was only stopped when the fingers of my right hand were two knuckles deep into the pulley. Being two stories above the ground I was reluctant to release the rope and remained momentarily suspended slightly above the scaffolding.

However, upon hitting the ground, the barrel broke open--spilling out the bricks--and before I could negotiate my way over to the safety of the nearby scaffold the barrel (now devoid of bricks and weighing only 50 pounds) started upwards as I began a rapid descent down the side of the building.

After slightly grazing the scaffold (two fractured ribs), I met the barrel coming up. (Fractured ankle and knee lacerations).

I then landed on the pile of bricks (cracked three vertebra and sprained my wrist).

However, it was at this point, I am sorry to report that as I lay there on my back atop the pile of brick, in pain, unable to stand, staring up at the empty barrel, I let go of the rope.

Since collecting tokens is slightly less dangerous, I retired from construction work that day.

Regards,

Binky

END OF SALE.

I'm always interested in trading for or buying drugstore, pharmacy, soda, and ice cream tokens from all periods and all states, especially New England, New Jersey, New Mexico and Texas. Additionally, I am still looking for Battleship Maine So-Called Dollars, HK 285 and 286 in uncirculated condition. Finally, I am accumulating a small collection of Harvard tokens and medals for my son who is a '92 graduate.

Since the Post Office has recently lost a couple of my shipments to other collectors, I will send all tokens valued at $25 or more by insured or registered mail unless you specify otherwise.

HOPE EVERYONE HAS A SAFE, HEALTHY AND HAPPY HOLIDAY SEASON. SEE YOU IN '93. MIKE

Hi Norris, 11/28

Well, it looks like you have been busy finding good stuff!

Your C.S. Goodwin Token is from Vinton, I was talking to Ed Morrow about it and he found him in business there from 1886 to 1904. Hurrah!

FOREIGN TOKENS!

I'm still looking for those odd pieces you have in the back of your double-row boxes - either on consignment for my auctions or to buy outright. Ask about my consignment rates.

I also keep a large stock of books on world tokens. Ask for a free list.

If you send me a stamp I'll attribute your foreign tokens for free.

Best of collecting to you in 1989!
